MESSAGE:

Greetings Emily

I refer to the Department's Request for Information RFI-45276752 in relation to preparation of a Bushfire Plan for the Tomingley Gold Extension Project.

Tomingley Gold Operations Pty Limited would consent to a condition requiring preparation of a Bushfire Report in accordance with the relevant sections of *Planning for Bush Fire Protection* published by the NSW Rural Fire Service in 2019 prior to the commencement of construction.

I trust that the above adequately addresses the Request for Information.

Regards

Mitchell Bland
Managing Director / Principal
