Dear Mr Gladwish,

**Loreto Normanhurst Concept Proposal and Stage 1 Works (SSD 8996)
Staging Report, Condition A9**

I refer to the Staging Report submitted to the Planning Secretary under condition A9 of the consent for the Loreto Normanhurst Concept Proposal and Stage 1 Works (SSD 8996). I also acknowledge and thank you for your response to the Department's review comments.

I note that the Staging Report:

- has been reviewed by the Applicant and no issues have been raised;
- contains the information required by condition A10 – A12 of the consent; and
- has been submitted to the Department prior to the commencement of construction works.

As nominee of the Planning Secretary, I am satisfied that the Staging Report, Revision 3 dated 7 December 2021, has been prepared in accordance with condition A9 of SSD 8669.

I remind you to submit a revised Staging Report to the Planning Secretary for approval prior to the commencement of construction of substages 4 and 5, as the required details have yet to be finalised. I also remind you that the required management plans and strategies are to be submitted to the Planning Secretary and/or Certifying Authority prior to undertaking construction/operation works as per the conditions of consent.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of conditions of consent will prevail.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton
Director – Infrastructure Management
