**Subject: Kurri Kurri Lateral Pipeline Project (SSI-22338205) - Request for Additional Information**

Dear Mr Hatfield

I refer to the Submissions Report for the proposed Kurri Kurri Lateral Pipeline Project (the project), dated September 2022.

The Submissions Report describes that you are continuing consultation with landowners who have raised concern regarding potential conflicts between the project and mining operations at the Bloomfield, Donaldson and Abel Mines, and at this stage no agreement has been reached with these landowners to resolve these concerns. As this issue remains unresolved, the Department requires that you provide additional information about your consultation with the mining lease holders along the proposed pipeline route once an agreement has been made with relevant stakeholders.

The Department is also in consultation with the Department of Regional NSW - Mining, Exploration and Geoscience about this matter and to provide advice on the Submissions Report and will forward this advice when available.

If you have any questions, please contact Jack Turner on 02 9995 5387 or via email at [jack.turner@planning.nsw.gov.au](mailto:jack.turner@planning.nsw.gov.au).

Yours sincerely,

A handwritten signature in black ink, appearing to be "SO", written over a light blue circular stamp.

Stephen O'Donoghue
