**Subject: Request for Additional Information - Crescent Head Ilmenite Stockpile Rehabilitation (SSD-30956841)**

Dear Mr Williams

The Department has received preliminary advice from the Biodiversity and Conservation Division (BCD) on the response to submissions (RTS) for the Crescent Head Ilmenite Stockpile Rehabilitation Project (see attached).

The RTS has not satisfactorily addressed the concerns raised by the BCD in its advice on the EIS in relation to the assessment of the swift parrot and native vegetation on the stockpile, and the BCD considers the Biodiversity Development Assessment Report should be updated to address these matters.

The Department requests that you provide a response to this advice by 18 November 2022. If this timeframe is not achievable, you are requested to provide and commit to an alternative timeframe.

If you have any questions, please contact Nima Salek, on (02) 9274 6088 or at [Nima.Salek@dpie.nsw.gov.au](mailto:Nima.Salek@dpie.nsw.gov.au).

Yours sincerely,
