**Subject:** Request for Additional Information

Dear Mr Bowden

I refer to the assessment for the Trinity Grammar School Redevelopment-Mod-5 (SSD-10371-Mod-5).

The Department notes that the architectural plans submitted with SSD-10371-Mod-5 (Mod 5) reflect the modifications under SSD-10371-Mod-4 (Mod 4). As you are aware, the Department is currently assessing SSD-10371-Mod-4 and is waiting for the submission of an Arborist Report in relation to that application.

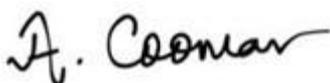

Given the interdependence of the two applications, the assessment of Mod 5 cannot progress without the determination of Mod 4. Consequently, the Department would assess and finalise Mod 5 once the pending information for Mod 4 is received and it is determined.

You are requested to provide the requested information for Mod 4 to the Department by Wednesday 22 March 2023. Mod 5 would be assessed after this timeframe. If you cannot meet this deadline or do not intend to provide the additional information, please advise the Department via the NSW planning portal.

The assessment period ceases to run between the date of this letter and the date you provide the additional information (or notification that the information will not be provided), in accordance with Part 4 Division 4 of the Environmental Planning and Assessment Regulation 2021.

If you have any questions, please contact Zac Derbyshire on 02 9228 6418 or via email at [zac.derbyshire@dpie.nsw.gov.au](mailto:zac.derbyshire@dpie.nsw.gov.au).

Yours sincerely,
