Dear Stephen,

**RE: MOOLARBEN OC3 EXTENSION PROJECT – BIODIVERSITY, CONSERVATION AND SCIENCE DIRECTORATE
REQUEST FOR INFORMATION**

The NSW Department of Planning, Housing and Infrastructure (DPHI) have requested Moolarben Coal Operations Pty Ltd (MCO) provide information requested by the Department of Climate Change, Energy, the Environment and Water - Biodiversity, Conservation and Science Directorate (BCS) on the Moolarben OC3 Extension Project (SSD-33083358) Amendment and Submissions Reports.

GIS data of the following is enclosed:

- open cut pit extents for the Project as proposed in the EIS;
- open cut pit extents for the amended Project;
- potential groundwater dependent ecosystems within maximum 2 metre drawdown extent;
- springs/seep features adjacent to the Project;
- existing and proposed groundwater monitoring sites;
- maximum predicted drawdown in the Alluvium / Palaeochannel (Project-only and cumulative) for the amended Project; and
- maximum predicted drawdown in the Ulan Seam (Project-only and cumulative) for the amended Project.

Should DPHI or BCS have any queries regarding the information provided, please do not hesitate to contact the undersigned via email (Trent.Cini@yancoal.com.au) or phone (0408 312 269).

Yours sincerely,

Trent Cini
