Subject: Request for Additional Information – Barnett Street

Dear Mrs Kramer

I refer to the assessment for the Goulburn River Solar Farm (SSD-33964533). After careful consideration, the Department is requesting that you provide additional information regarding the sealing of Barnett Street, as requested by Transport for New South Wales (TfNSW) in its advice dated 9 May 2024. The Department seeks confirmation that:

- the sealing works would be undertaken as requested by TfNSW; and
- whether there are any environmental impacts associated with the works, in particular impacts on biodiversity and/or heritage values.

You are requested to provide the information to the Department by Friday 14 June 2024. If you cannot meet this deadline, please advise the Department via the NSW planning portal as soon as possible.

The assessment period ceases to run between the date of this letter and the date you provide the additional information (or notification that the information will not be provided), in accordance with Part 4 Division 4 of the *Environmental Planning and Assessment Regulation 2021*.

If you have any questions, please contact Kurtis Wathen on 02 8289 6981 or via email at kurtis.wathen@dpie.nsw.gov.au.

Yours sincerely,
