Request for Additional Information

I refer to the assessment for the Saint Ignatius' College Riverview Stage 2 Concept Plan Mod 3 (SSD 7140 Mod 3). After careful consideration, the Department is requesting that you provide the following:

- A complete set of architectural drawings including the correct drawing number, version and date of the revised plans / elevations / sections. In this regard, you are requested to only include the drawings that are proposed to be revised as part of this modification application instead of the full set of drawings.
- An addendum to the Section 4.55 report which includes a list of the conditions that are proposed to be modified and the correct version / drawing number / date of the drawings in those conditions.

You are requested to provide the information, or notification that the information will not be provided, to the Department by Friday 8 August 2020. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.
