

Mr Stephane Kerr
University Town Planner
University of Sydney
27 Codrington Street
Darlington NSW 2008
19/08/2020

Dear Mr Kerr

**University of Sydney Engineering & Technology Precinct - Modification 2
(SSD-8636-Mod-2)
Request for Additional Information**

I refer to the response submitted on the 13 August 2020 for the Modification 2 to the approval for the University of Sydney Engineering and Technology Precinct (SSD-8636-Mod-2). The Department requires that you provide the following additional information to allow finalisation of the assessment of the application:

- a final project description which provides details of all the design (i.e. eastern plaza landscaping and awning, northern plaza changes and southern plaza), planting and condition changes being sought under this modification application.
- clarification of the total amount of planting proposed by providing:
 - justification for the reduction of planting proposed in the modification compared to the approved landscape plans and planting schedule, which detailed 44 trees.
 - justification for the alteration of the western boundary planting, identifying how the removal of trees will affect shading and the visual setting of the proposed building and surrounds from Maze Crescent.

You are requested to provide the information, or notification that the information will not be provided, to the Department by **Wednesday 26 August 2020**. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.

If you have any questions, please contact Ingrid Berzins, who can be contacted on 9373 2885/ at ingrid.berzins@planning.nsw.gov.au.

Yours sincerely,

David Gibson
