Subject: Request for Additional Information

Dear Mr Mitchell

I refer to assessment for the Vickery Extension Project – Modification 2 (SSD-7480-Mod-2), Tarrawonga Coal Mine – Modification 11 (MP11_0047-MOD-11) and Rocglen Extension Project – Modification 5 (MP10_0015-MOD-5) (the modifications). After careful consideration, the Department is requesting that you provide the following additional information:

1. The modification report (dated 2025) prepared for the modifications does not address the potential impacts of climate change in sufficient detail. Accordingly, please provide further information on the effect of the modifications additional scope 3 emissions on the environment at both global and local scales.
2. Please provide an approximate average of the additional scope 3 emissions that would be generated by the modifications.

You are requested to provide the information, or notification that the information will not be provided, to the department by Friday 12 September 2025. If you cannot meet this deadline or do not intend to provide the additional information, please advise the department via the NSW planning portal.

If you have any questions, please contact Brittany Golding on 02 9995 5742 or via email at Brittany.Golding@planning.nsw.gov.au.

Yours sincerely,
