Dear Ms Springford

Precinct Marker Signage Strategy – SSD 7317-MOD-19
Request for Additional Information

I refer to the Response to the Submissions dated 22 September 2020. The Department received two further public submissions and a response from the City of Sydney Council. All the submissions received are available on the Department's website at:

<https://www.planningportal.nsw.gov.au/major-projects/project/35056>

The Department has reviewed the Response to Submissions and submissions from the public and Council and requests you provide a response to the key issues identified in **Attachment 1**.

You are requested to provide additional information addressing the issues in **Attachment 1** by **Friday 23 October 2020**. If you are unable to provide the requested information within this timeframe, please provide a timeframe for the provision of this information.

If you have any questions, please contact Candice Pon on 9995 6644/
Candice.Pon@planning.nsw.gov.au.

Yours sincerely,

A handwritten signature in black ink that reads 'AWatson'.

Key Sites Assessments

Attachment 1

1. Illumination

Provide an updated Lighting Report that addresses the following:

- a. an assessment of the amended Redfern Station sign; and
- b. specifications and management of the proposed dimmed lighting.

2. Presentation to the Watertower Residents

The Department notes that Mirvac consulted with the Watertower residents and three design options for the Redfern Station sign were presented.

Please provide a copy of the presentation that was given to the Watertower residents and which identifies options 1, 2 and 3.

3. Council comments

Please provide a response to Council's comments regarding the Redfern Station sign and concerns about blank areas of concealment and options to increase permeability and visibility through the sign.

4. Other

Please update the Sign Locations Plan (**Attachment A** pg 7) in the Signage Strategy to reflect the amended design for the Redfern Station sign.
