The Secretary
NSW Department of Planning, Industry and Environment

ATTENTION: Chris Fraser

Dear Sir or Madam

I refer to the Department's letter of 27 November 2020 regarding Modification Application DA S29/3/97-Mod-1 for Eastern Creek Karts for modification of the Event Parking Area to 50 Peter Brock Drive, Eastern Creek (Lot 4 DP1079897) in the Blacktown local government area (LGA).

Please find attached Endeavour Energy's submission which due to the number of attachments / files could not be submitted via the Major Projects Assessment portal.

Could you please pass on a copy of this submission and the attached resources to the applicant? Should you wish to discuss this matter, or have any questions, please do not hesitate to contact me or the contacts identified in the attached submission in relation to the various matters. Due to the high number of development application / planning proposal notifications submitted to Endeavour Energy, to ensure a response contact by email to property.development@endeavourenergy.com.au is preferred.

With the current easing of the COVID-19 health risk, whilst a significant number of Endeavour Energy staff are returning to the office, they are at times still working from home. Although working from home, access to emails and other internal stakeholders can still be somewhat limited and as a result it may take longer than usual to respond to enquiries. Thank you for your ongoing understanding during this time.

Yours faithfully
