Dear Sheelagh

Buronga Landfill Extension

Thank you for the opportunity to provide feedback on the above proposal. The NSW Department of Primary Industries Agriculture (DPI Ag) provides advice to consent authorities about the protection and growth of agricultural industries and the resources upon which these industries depend to provide economic growth.

DPI Ag notes that the SEARs response provided by DPI Agriculture on 26/10/2020 (DPI OUT20/13182) does not appear on the major project webpage and so it is not clear that it was passed onto the proponent.

The EIS has been reviewed and DPI requirements have not been covered. In particular the proposal needs to include the results of a Land Use Risk Assessment (LUCRA <https://www.dpi.nsw.gov.au/agriculture/lup/development-assessment/development-assessment2/lucra>) and to provide detail on Biosecurity and BioHazard management at the site to prevent impacts on surrounding agricultural land uses.

For clarification on the information contained in this response, please contact me on 0427812508 or via Landuse.ag@dpi.nsw.gov.au

Yours sincerely
