Dear Sir Madam

Re: SSD-10096818: Buronga Landfill - Notice of Commencement of Works

On 19 July 2023, Department of Planning and Environment (DPE) provided Development Consent for the Buronga Landfill Expansion (SSD-10096818). As part of this consent, there were a number of conditions that required the proponent (Wentworth Shire Council (Council)) to notify/provide confirmation that certain requirements were fulfilled prior to the commencement of works on site. This letter serves to fulfill these requirements.

To assist in confirming compliance with Conditions of Consent, please find a table below identifying areas where items requiring items be undertaken to the satisfaction of the Planning Secretary or the provision of notification to the Planning Secretary is to be undertaken.

Condition	Requirement	Discussion
A9.(A)	The date of commencement of each of the following phases of the development must be notified to the Planning Secretary in writing, at least one month before that date, or as otherwise agreed with the Planning Secretary: (a) construction; (b) ...	Works on site are scheduled to comment on site in late August/early September with this letter providing the required notice to the Planning Secretary.
B12	Six months prior to the commencement of each stage of landfill cell construction, the Applicant must submit to the satisfaction of the Planning Secretary a Landfill Cell Design Report (LCDR) which details the design, construction, operation and rehabilitation of the stage.	The LCDR was submitted on 2 December 2023

B13	The Applicant must: (a) not commence each stage of landfill cell construction until the LCDR required by condition B12 is approved by the Planning Secretary; (b) ...	Approval was received for the LCDR on 5 February 2024
B16	Prior to the commencement of operations, the Applicant must prepare a Water Management Plan (WMP) to the satisfaction of the Planning Secretary. The WMP must form part of the LEMP required by condition C2.	The Water Management Plan (WMP) was prepared as part of the development of the site LEMP which has been provided to the EPA and forms part of the licence for the site. A copy of the LEMP is provided for your reference.
B21	Prior to the commencement of works for new landfill cells, the Applicant must prepare a Leachate Management Plan (LMP) to the satisfaction of the Planning Secretary. The LMP must form part of the LEMP required by condition C2.	The Leachate Management Plan (LMP) was prepared as part of the development of the site LEMP which has been provided to the EPA and forms part of the licence for the site. A copy of the LEMP is provided for your reference.
B27	Prior to the commencement of any works on site, the Applicant must prepare an Air Quality Management Plan (AQMP) to the satisfaction of the Planning Secretary. The AQMP must form part of the LEMP required by condition C2.	The Air Quality Management Plan (AQMP) was undertaken as part of the development of the site LEMP which has been provided to the EPA and forms part of the licence for the site. A copy of the LEMP is provided for your reference.
B29	Prior to the commencement of any works on site, the Applicant must upgrade the intersection treatment at the site entrance and Arumpo Road to the satisfaction of the Roads Authority	Council has undertaken the intersection treatment works with activities now complete.
B32	At least one month prior to the commencement of construction of the development or within such further period as the Planning Secretary may agree, the Applicant must prepare and submit a Fire Safety Study (FSS) for the approval of the Planning Secretary.	The Fire Safety Study was undertaken as part of the development of the site LEMP which has been provided to the EPA and forms part of the licence for the site. A copy of the LEMP is provided for your reference.
B33	At least one month prior to the commencement of construction of the development or within such further period as the Planning Secretary may agree, the Applicant must prepare and submit an Emergency Response Plan (ERP) for the approval of the Planning Secretary.	The Emergency Response Plan (ERP) was prepared as part of the development of the site LEMP which has been provided to the EPA and forms part of the licence for the site. A copy of the LEMP is provided for your reference.
C2	The Applicant must prepare a Landfill Environmental Management Plan (LEMP), in accordance with the requirements of condition C1 and to the satisfaction of the Planning Secretary.	This has been prepared and has been provided to the EPA and forms part of the licence for the site. A copy of the LEMP is provided.

To also assist to demonstrate Council's compliance with a number of the above conditions, a copy of the draft EPA licence is also provided. This licence was issued following the supply of the LEMP documentation and agreement around its contents.

I trust this covers your requirement but if you need anything else, please don't hesitate to contact me.

Kind Regards
Waste and Management Services

Geoffrey Webster
Director
