360 Certification  
greg@360certification.net

Attention: Mr Greg Evans

Dear Mr Evans

**RE: 211 Pacific Highway St Leonards NSW 2065  
Structural Design Certification**

Pursuant to the provisions of Volume 1 (A2.2) of the building Code of Australia, we hereby certify that the above design is in accordance with normal engineering practice and meets the requirements of the Building Code of Australia, relevant Australian standards and relevant conditions of the development consent.

I am an appropriately qualified and competent person in this area and as such can certify on behalf of ACOR Consultants Pty Ltd, that the structural component of this project as shown on the following drawings was designed in this office by a practicing Structural Engineer in accordance with the relevant SAA Codes and in accordance with accepted engineering practice and principles.

We possess indemnity insurance to the satisfaction of the building owner or our client.
