Dear Mr Jamieson

I refer to your submission seeking approval of the Planning Secretary for the Construction Traffic and Pedestrian Management Plan (CT&PMP) in accordance with condition C23 of SSD 10260. I also acknowledge your response to the Department's review comments and requests for additional information.

I note that the CT&PMP:

- has been prepared in consultation with TfNSW and Willoughby Council;
- has been reviewed by the Applicant and no issues have been raised;
- contains the information required by conditions C22–C23 of the consent; and
- has been submitted to the Department prior to the construction of the drop-off / pick-up zone within The Avenue and the public carpark.

As nominee of the Planning Secretary, I approve the Construction Traffic and Pedestrian Management Plan, Issue D dated 1 March 2021, in accordance with condition C23 of the conditions of consent for the International Chinese School SSD 10260.

Please note that if there is any inconsistency between the submitted plans and the conditions of consent, then the requirements of the conditions of consent will prevail.
