Subject: Traffic Management Plan for Narrabri Coal Mine Stage 3 (SSD 10269)

Dear Mr Baker

I refer to the Traffic Management Plan, which was submitted in accordance with Condition B73 of Schedule 2 of the development consent for the Narrabri Underground Mine Stage 3 Extension Project (SSD 10269).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of SSD 10269. Accordingly, the Secretary has approved the Traffic Management Plan (Version 0, dated 12 August 2022).

You are reminded that if there are any inconsistencies between the management plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Philip Nevill on 8275 1036.

Yours sincerely
