**Subject: Air Quality Management Plan for Narrabri Coal 3 Project (SSD-10269)**

Dear Mr. Rily,

I refer to your submission, requesting review and approval of the Air Quality Management Plan for the Narrabri Coal Stage 3 project. I also acknowledge your response to the Department's review comments and request for additional information.

I note the Air Quality Management Plan has been prepared in consultation with the NSW EPA and contains the information required by the conditions of approval.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in Development Consent (SSD-10269).

Accordingly, as nominee of the Planning Secretary, I approve the Air Quality Management Plan (Rev 0A, dated 25 August 2022).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely
