**Subject:** RE: SSD 10285 - Royal Randwick Racecourse - Leger Lawn Development RtS

Hi Minoshi

The Government Architect NSW has been asked to provide independent design review commentary on State Significant Development application SSD 10285.

I have reviewed the submission for this project. The applicant has addressed comments provided during the EIS and we have no further comments on this application.

We recommend that a condition relating to the installation and commissioning of the solar panels prior to occupancy of the building be included.

Thank you

**Carol Marra**  
Senior Design Advisor
