Subject: Construction Pedestrian and Traffic Management Plan (CPTMP) for Victoria Cross Over Station Development (B41 of SSD 10294)

Dear Mr Cerone

I refer to your submission requesting approval of the Construction Pedestrian and Traffic Management Plan (version V03, dated 09/06/22) for Victoria Cross Over Station Development.

I note the CPTMP:

- Has been prepared in consultation with the Sydney Coordination Office within TfNSW;
- Has been reviewed by Sydney Metro and no issues have been raised with the Department; and
- Contains the information required by Condition B41 of the Development Consent Conditions.

As nominee of the Planning Secretary, I approve the Construction Pedestrian and Traffic Management Plan (version V03, dated 09/06/22) under Condition B41

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website.

If you wish to discuss the matter further, please contact Grant Brown at [grant.brown@dpie.nsw.gov.au](mailto:grant.brown@dpie.nsw.gov.au)

Yours sincerely
