Dear Mr Brooks

Western Sydney Green Gas Project (SSD-10313)
Approval of Hazards Expert

I refer to your request (SSD-10313-PA-2) for the Planning Secretary's approval of suitably qualified, experienced and independent persons to prepare the Hazard and Operability Study for the Western Sydney Green Gas Project (SSD-10313).

The Department has reviewed the nomination and information you have provided and is satisfied that this expert is suitably qualified, experienced and independent. Consequently, I can advise that the Planning Secretary approves the appointment of Francois Lambrechts to prepare the Hazard and Operability Study.

If you wish to discuss the matter further, please contact Wayne Jones on 6575 3406.

Yours sincerely
