Dear Mr Jury,

**New Primary School at Googong (SSD-10326042)
Submission of Demolition Work Plan, Condition B12**

I refer to your letter dated 2 February 2022 submitted to the Planning Secretary in accordance with condition B12 of Schedule 2 of the project Development Consent for the Googong Primary School.

I note your letter states that:

- there are no demolition works associated with the development of the Googong Primary School;
- the school site is a greenfield lot that is currently vacant; and
- there are no structures or edifications on the land and, therefore, a Demolition Work Plan is not required.

Accordingly, I acknowledge receipt of your letter advising the Department that a Demolition Work Plan pursuant to condition B12 is not required to be furnished.

If you have any questions or wish to discuss the matter further, please contact Senior Environmental Assessment Officer Hala Fua on 8837 6328.

Yours sincerely
