I refer to the Construction Environmental Management Plan (CEMP) and supporting Sub-plans submitted to the Planning Secretary in accordance with condition B15, Schedule 2 of the project Development Consent for the new Primary School at Googong (SSD-10326042).

I note that:

- A notification of commencement of works dated 2 February 2022 stated that the Department of Education intend to commence the construction works pursuant to SSD-10326042 on 8 February 2022. The CEMP and supporting Sub-plans were submitted to the Department on 11 February 2022.
- Condition B15 requires the Applicant to provide a copy of the CEMP and sub-plans to the Planning Secretary prior to the commencement of construction.
- A conversation with a representative of School Infrastructure NSW on 17 February 2022 confirmed that construction works for the Googong Primary School were delayed and subsequently commenced on 14 February 2022.

Accordingly, I acknowledge receipt of the Construction Environmental Management Plan and supporting Sub-plans for our information under condition B15 of SSD 10326042.
