Dear Ms Muir,

**Prince of Wales Hospital – Addition to the Acute Services Building (SSD 10339)  
Staging Report, Condition A9**

I refer to the Staging Report, Revision 0.4 dated 13 August 2021, submitted to the Planning Secretary for approval in accordance with condition A9 for the Prince of Wales Hospital - Addition to the Acute Services Building with associated works (SSD 10339).

I note that the Staging Report:

- has been reviewed by Health Infrastructure and no issues have been raised;
- contains the information required by condition A10 of the consent; and
- has addressed the comments raised by the Department in several requests for information.

Accordingly, as a nominee of the Planning Secretary, I approve the Staging Report, Revision 0.4 dated 13 August 2021, in accordance with condition A9 of SSD 10339.

You are reminded that an updated Staging Report must be submitted for the Planning Secretary's approval once operations details of the project are finalised.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the consent will prevail.

If you have any questions or wish to discuss the matter further, please contact Sidonie Crepeau at [sidonie.crepeau@planning.nsw.gov.au](mailto:sidonie.crepeau@planning.nsw.gov.au).

Yours sincerely

Matthew Todd-Jones  
Acting Director  
Infrastructure Management

As nominee of the Planning Secretary
