Dear Ms Muir,

**Children's Hospital Westmead - Pediatric Services Building (SSD 10349252)
Staging Report, Conditions A10 and A11**

I refer to the Staging Report submitted to the Planning Secretary in accordance with condition A10 of the consent for the Children's Hospital Westmead - Paediatric Services Building (PSB) SSD 10349252. I acknowledge and thank you for response to the Department review comments and response for additional information.

The Department has carefully assessed the Staging Report and I note that the report:

- has been reviewed by the Applicant and no issues have been raised;
- includes construction staging details for Stage 1 and 3 only; and
- contains the information required under A11 of the project development consent.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the Staging Report for the Paediatric Services Building, Version V02 dated 10 March 2022, meets the requirements in accordance with condition A10 of SSD 10349252.

I remind you to submit a revised Staging Report to the Department for approval to include details for Stage 2 works and staged Operation of the PSB.

Please note that if there is any inconsistency between the provided documents and the conditions of approval, then the requirements of the conditions of approval will prevail.

If you have any questions or wish to discuss the matter further, please contact Sidonie Crepeau at sidonie.crepeau@planning.nsw.gov.au.

Yours sincerely

Jake Shackleton
Director – Infrastructure Management
