Construction Environmental Management Plan, Conditions B15-B20**

Dear Ms Muir

I refer to your Construction Environmental Management Plan and Sub-plans (CEMP package) for Stage 3 Forecourt works submitted to the Planning Secretary under condition B15 of SSD-10349252. I acknowledge and thank you for your response to the request for additional information.

I note the CEMP package:

- has been reviewed by the Applicant, and no issues have been raised to the Department;
- includes sub-plans CTPMSP, CNVMSP, CWMSP, CSWMSP and FERSP as per conditions B16 to B20;
- has been prepared in consultation with Council and TfNSW, where relevant; and
- contains the information required under conditions B15-B20 of the consent.

Accordingly, the Department has filed the Project Environmental Management Plan, Revision D dated 6 June 2023, prepared by Ford Civil, for our information as per condition B15 of SSD-10349252.

Please note that if there are any inconsistencies between the CEMP package and the conditions of consent, then the conditions will prevail.

Also, please make the CEMP package available on the project website at least 48 hours before the commencement of construction as per condition A24.

If you have any questions, please contact Jeremy Martin at jeremy.martin@dpie.nsw.gov.au.

Yours sincerely
