**Moriah College Redevelopment (SSD-10352)
Revised Community Communication Strategy, Conditions C33, C34, and E9**

Dear Mr Barry

I refer to the revised Community Communication Strategy (CCS) submitted to the Planning Secretary for approval in accordance with Condition C34 of SSD-10352 (as modified).

I note that the revised CCS:

- was reviewed by the Applicant, and no issues were raised;
- was the result of Independent Environmental Audit No. 1 findings; and
- was updated to include one additional stakeholder that the project will engage with, and identifies their area of interest, communication methods, and the frequency of consultation.

Accordingly, as a nominee of the Secretary, I approve the revised Community Communication Strategy, dated June 2026, prepared by R&S Muller Enterprise Pty Ltd, in accordance with Condition C34 of SSD-10352.

You are reminded that if there is any inconsistency between the approved revised CCS and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure that the approved revised CCS is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Hala Fua at hala.fua@dphi.nsw.gov.au.

Yours sincerely

Matt Wood
