

22 December 2022

Executive Director
Key Sites Assessments
Department of Planning, Industry and Environment
12 Darcy Street
Parramatta
NSW 2150

Attention: Maria Divis

Dear Maria,

Notice of Commencement – SSD-10354-MOD 2 – CC6

MostynCopper have been engaged on behalf of Cricket NSW as the nominated Project Managers for the above-mentioned project, located at Wilson Park, Sydney Olympic Park. Pursuant to SSD Condition C1 of SSD 10354, The Department must be notified in writing of the dates of commencement of physical work and operation at least 48 hours before those dates.

In accordance with SSD Condition C1, MostynCopper, on behalf of Cricket NSW provide the following Notice of Commencement.

Approval for CC6 was obtained for Structural works to Zone F (Maintenance Building) on 21 December 2022. Civil and structural and framing works are anticipated to commence on site on Monday 9 January 2022. These works will be undertaken by Supersheds Australia.

Commencement of Operation will be notified to the Department on completion of the scope relating to SSD-10354-MOD 2, expected in February 2023.

Should you have any queries relating to the above, please do not hesitate to contact me to discuss.

Yours Sincerely,

Kael Williams
Senior Project Manager
