Subject: NSW Cricket Centre of Excellence - SSD 10354 - Post Approval documents

Hi Kael

Thank you for your emails regarding documents for the *NSW Cricket Centre of Excellence* project (SSD 10354) at Olympic Park.

I note receipt of:

- a Draft Construction Environmental Management Plan with an Unexpected Finds Protocol (required under B40)
- a Hazardous Materials Survey (B49)
- a Hazardous Ground Gas Management Plan (B47), and
- an Air Quality Odour Management Plan (C21)

As the EPA is the Appropriate Regulatory Authority (ARA) for the project at Sydney Olympic Park, it must maintain a regulatory arm's length from commenting on post-approval management plan.

The EPA will not be endorsing or approving the above documents.

Kind regards
