Dear Mr Dalton,

I refer to your submission dated 20/05/22, requesting approval of the Operational Noise and Vibration Management Plan (revision 1, 20/05/22).

I note the Operational Noise and Vibration Management Plan has been:

- Prepared in consultation with Sydney Olympic Park Authority (SOPA), and City of Parramatta Council who support the Plan;
- Received by the EPA who advised they would not be providing any comments; and
- Prepared in accordance with the conditions of approval (Condition B6).

As nominee of the Planning Secretary, I approve the Operational Noise and Vibration Management Plan (revision 1, 20/05/22) under Condition B6.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Lara Fusco on (02) 9995 5961 or via lara.fusco@dpie.nsw.gov.au.

Yours sincerely,
