Transport and Accessibility Impact Assessment, Stantec, Issue: A, St Philip's Christian College Cessnock	13	The number of existing students is 1281, as per the EIS. Table 2.2: Existing school operation contains several incorrect figures. In the column headed "Students", the figure against the Facility "DALE Special School" should be 55 (not 80), the School Sub-Total should be 1,198 (not 1,223) and the Total figure should be 1,281 (not 1,306). (N.B. It is noted that student enrolments fluctuate from year to year. The above corrected figures are based on supplied information for the 2021 school year and equate to enrolment figures referred to as 'existing' in the body of the Environmental Impact Statement)

Dated: 14 February 2022.
