Subject: Albion Park Quarry Expansion (SSD-10369) - Blast Management Plan

Dear Mr Hammond,

I refer to the revised Blast Management Plan (BMP), Revision 5, dated 7 May 2026, submitted in accordance with Condition B18 of Schedule 2 of SSD-10369 (the Consent) for the Albion Park Quarry Expansion Project. I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and notes that the plan:

- has been prepared by a suitably qualified and experienced person whose appointment has been endorsed by the Planning Secretary; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised Blast Management Plan (Revision 5, dated 7 May 2026).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Jasmine Walden on (02) 6773 7009.

Yours sincerely,

Carl Dumbleton
A/Director
Energy and Resource Assessments
As nominee of the Planning Secretary
