Dear Mr. Dungan,

**Trinity Grammar School Redevelopment (SSD-10371)
Construction Worker Transportation Strategy, Condition D22**

I refer to a Construction Worker Transportation Strategy (CWTS) submitted to the Planning Secretary in accordance with condition D22 of the project Development Consent for the Trinity Grammar School Redevelopment (SSD-10371). I also acknowledge and thank you for your response to the Department's request for further information.

I note that the revised CWTS:

- was reviewed by the Applicant and no issues were raised;
- was prepared in consultation with the relevant Council; and
- was prepared in accordance with the requirement of condition D22 of the consent.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the revised Construction Worker Transportation Strategy, Revision 7 dated 18 May 2022, is prepared in accordance with condition D22 of SSD-10371.

You are reminded that a revised CWTS must be submitted to the Planning Secretary for approval prior to the commencement of construction of Stages 3, 4 and 5 as the required program details have yet to be finalised.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If there is any inconsistency between the approved document and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions or wish to discuss the matter further, please contact Sam Heaton on at samuel.heaton@dpie.nsw.gov.au.

Yours sincerely,

Dominic Crinnion
Acting Director
Infrastructure Management
