Dear Ms Munk

Request for Secretary's Environmental Assessment Requirements (SEARs) for the Botany Cogeneration Plant at 1891 Botany Road, Matraville (SSD 10373)

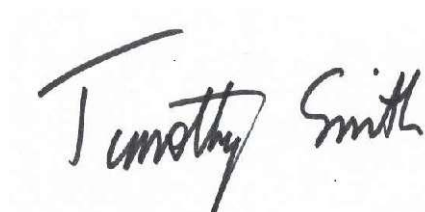

Thank you for your referral dated 12 September 2019 inviting SEARs input from the Heritage Council of NSW for the above proposal.

The subject site is not listed on the State Heritage Register (SHR), nor is it in the vicinity of any SHR items. The site also does not contain any known historical archaeological sites. Therefore, no further heritage comments are required. The Department does not need to refer subsequent stages of this proposal to the Heritage Council of NSW.

Please note that the Greater Sydney Planning Team within the Climate Change & Sustainability Division may provide separate comment in relation to Aboriginal cultural heritage.

If you have any questions regarding the above advice please contact Anna London, Senior Customer Strategies Officer at Heritage, Department of Premier and Cabinet via email at anna.london@environment.nsw.gov.au or on 9873 8608.

Yours sincerely
