The Pitt Street ISD project team presented DRP presentation 6 with an aim to close out OSD South for 7 April LOC submission to Council, then DA submission to DPIE 18 May.

## Design Integrity Tracker:

Please refer to the DRP Pitt St Design Integrity Tracker for the status of all actions past and present. DRP actions and advice are sorted via their geographic location first, and then via their theme:

### Advice is sorted first by their geographic location:

- ISD - General
- OSD North
- OSD South
- Precinct/ Public Domain North
- Precinct/ Public Domain South
- Station
- Station Entry North
- Station Entry South

### Advice is then also sorted by its theme:

- Customer experience and wayfinding
- Sustainability
- Public art & heritage interpretation
- Station services
- Planning and passenger movement
- Access and Maintenance
- Built form
- Materials and finishes

**DRP Advice:**

**OSD South**

---

**Materials and finishes**

- The Panel accepts the proposal for the bounding wall to the Edinburgh Hotel to be composed of recycled bricks with tone and texture similar to the bricks used in the Hotel.
- The Panel accept the honed precast finish to the street level walls, with a higher visibility of aggregate then sample shown and promote further consideration be given to the skirting and corner details to ensure longevity of initial appearance.
- The Panel request further information provided regarding bird roosting mitigation measures at horizontal window heads that sit below the awning.

**General**

- The Panel accepts that Pitt Street South OSD meets design excellence parameters and is ready for submission to DPIE.
