Subject: SSD 10378 MOD 2 - Amendment of Modification Application

Dear Mr Langford

I refer to the Amendment Report which was submitted on 27/04/2022 in accordance with the *Environmental Planning and Assessment Regulation 2000* (the Regulation) for 42 Honeysuckle Drive Mod 2 (SSD 10378 Mod 2). The Amendment Report has outlined that no changes were made from the initial modification application.

The Department has reviewed the Amendment Report and is satisfied it that the revised list of modifications provided within the assessment documentation only provide clarification of the modification and do not add or remove elements that were initially proposed in the Modification Report for SSD 10378 Mod 2.

If you have any enquiries, please contact Jonathan Kerr on 02 9274 6337 or jonathan.kerr@planning.nsw.gov.au.

Yours sincerely,
