Subject: RE: Secretary's Environmental Assessment Requirements (SEARs) for the Sutherland Entertainment Centre (SSD-10379)
Date: Thursday, 24 October 2019 10:46:02 AM

Hi David,

We have reviewed and support the draft SEARs, however reference should be made to the need for a Design Excellence Strategy. The proposal was subject to a Design Competition and as I understand it the outcomes from this process will be maintained through a Design Integrity Panel. The ongoing process to ensure design integrity should be separately documented as part of the EIS.

Regards,

Emma
