Good afternoon

DFP Planning is assisting Sutherland Shire Council with respect to a State Significant Development Application (SSDA) for the redevelopment of the Sutherland Entertainment Centre.

Attached to this email is a letter which requests preliminary feedback from NSW Fire and Rescue in relation to the proposal, together with draft plans of the proposed works.

Any comments NSW Fire and Rescue might have in relation to the proposed development would be welcomed. These comments will be considered in the Environmental Impact Statement that will accompany the SSDA.

Should you have any questions regarding this, please do not hesitate to contact me.
