**Community Communication Strategy, Conditions C9**

---

Dear Mr Sheridan

I refer to the Community Communication Strategy (CCS) submitted to the Planning Secretary in accordance with condition C9 of SSD-10383 for the Westmead Catholic Community Education Campus. I also acknowledge and thank you for your response to the Department request for additional information.

I note the CCS:

- was reviewed and updated by the Applicant, and no issues were raised to the Department;
- contains the information required by conditions C9; and
- has been submitted to the Department prior to the commencement of construction works.

Accordingly, as nominee of the Planning Secretary, I approve the final Community Communication Strategy, dated 18 November 2024, prepared by Urbis Ltd, under condition 9 of SSD-10383.

I remind you to monitor any potential community enquiries and/or complaints for the duration of construction and a minimum of twelve (12) months following the completion of construction, and to establish community-based forums should they be required, in accordance with condition C9 and C9(c) respectively of SSD-10383.

Please note that if there are any inconsistencies between the approved CCS and the conditions of consent, the conditions will prevail.

Also, please ensure you make the approved CCS publicly available on the project website at the earliest convenience.

If you have any questions, please contact Ms Tanja Ibsen on [tanja.ibsen@dpie.nsw.gov.au](mailto:tanja.ibsen@dpie.nsw.gov.au).

Yours sincerely
