

Good Morning,

Transgrid reference number: 2022-148

Proposal: Notice of Exhibition – Daroobalgie Solar Farm (SSD-10387)

Please see Transgrid response to SSD-10387 below:

- i. Transgrid won't do a detailed review until it becomes a Customer project, however worth noting that they have included a new transmission line in the EIS
- ii. this isn't a customer project as yet. They will need to engage Transgrid via Connection Processes Agreement to facilitate the connection to Transgrid's network.

Regards

Michael
