Subject: Amendment of Darroobalgie Solar Farm Development Application (SSD-10387)

Dear Mrs Munro

I refer to the Amendment Report which was submitted on 5 December 2022 in accordance with the *Environmental Planning and Assessment Regulation 2021*, seeking amendments to the Darroobalgie Solar Farm project in response to feedback from Forbes Shire Council.

The Department has carefully considered the information provided and accordingly, I as delegate of the Planning Secretary, agree that the proposed amendments may be made to the project, including:

- upgrading the Back Yamma Road/Troubalgie Road and the Troubalgie Road/site access intersections to accommodate B-double and oversize vehicle movements; and
- widening and sealing of Troubalgie Road between the Back Yamma Road and site access intersections.

If you have any questions, please contact Andy Nixey on (02) 9274 6379 or via email at andy.nixey@planning.nsw.gov.au.

Yours sincerely,
