Dear Ms Muir,

**Liverpool Hospital Multi-storey Carpark (SSD 10388)  
Submission of a Staging Report (Condition A9)**

I refer to the Staging Report for the Liverpool Hospital Multi-storey Carpark submitted to the Department under condition A9 of SSD 10388. I also acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note that the Staging Report:

- has been reviewed by the Applicant and no issues were raised;
- relates to the staged construction and operation of the development;
- contains the information required by condition A9; and
- has been submitted to the Department prior to commencement of the construction works.

As nominee of the Planning Secretary, I am satisfied that the Staging Report, Rev D dated 22 January 2021, meets the requirements of conditions A9 and A10 of SSD 10388.

You are reminded that a revised Staging Report must be submitted to the satisfaction of the Planning Secretary prior to the commencement and operation of the 'remaining works' (on-grade carpark) stage as detailed in the staging report. This update must be submitted no later than one month before the commencement of the 'remaining works' stage.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of consent will prevail.

If you have any questions, please contact Shiraz Ahmed at 9274 6534.

Yours sincerely

**Jake Shackleton**  
A/Director - Infrastructure Management
