Dear Ms Muir,

**Liverpool Hospital Multistorey Car Park (SSD - 10388)
Archaeological Salvage – Historic Archaeology (Conditions B25 and B26)**

I refer to the Archaeological Research Design and Excavation Methodology submitted in accordance with conditions B25 and B26 of SSD 10388. I also acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note that the submission:

- has been reviewed by the Applicant and no issue have been raised;
- has been prepared in consultation with the Heritage Council of NSW;
- contains the information required by conditions B25 and B26; and
- has been submitted prior to commencement of construction works.

As nominee of the Planning Secretary, I am satisfied that the final LHMSCP Archaeological Research Design and Excavation Methodology dated 5 February 2021 meets the requirement of conditions B25 and B26 of SSD 10388.

You are reminded to remove DRAFT v1 on the cover page of the submission and resubmit the revised document to the Department for information, prior to publication on the project website.

Please provide a copy of the approved Archaeological Research Design and Excavation Methodology document to the Heritage Council of NSW as per condition B26 of SSD 10388.

Please note that if there is any inconsistency between the submitted plans and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you wish to discuss the matter further, please contact Shiraz Ahmed at 9274 6534.

Yours sincerely

Jake Shackleton
