Dear Ms Munk

**Request for Secretary's Environmental Assessment Requirements (SEARS) for Western Sydney Energy and Resource Recovery Centre (SSD 10395)**

---

Thank you for your referral dated 15 November 2019 inviting SEARS input from the Heritage Council of NSW on the above State Significant Development (SSD) proposal.

The subject site is not listed on the State Heritage Register (SHR), nor is it in the immediate vicinity of any SHR items. Further, the site does not contain any known historical archaeological deposits. Therefore, no referral to the Heritage Council of NSW was required. The Department does not need to refer subsequent stages of this proposal to the Heritage Council.

If you have any questions regarding the above advice, please contact Anna London, Senior Customer Strategies Officer at Heritage NSW, on 9873 8608 or [anna.london@environment.nsw.gov.au](mailto:anna.london@environment.nsw.gov.au).

Yours sincerely
