**Subject: Kings Park Metal Recovery and Recycling Facility Expansion –Waste Management Plan**

Dear Mr Sher

I refer to your recent correspondence regarding the Kings Park Metal Recovery and Recycling Facility Expansion (SSD-10396). I understand you are seeking the Planning Secretary's approval of the Waste Management Plan and Waste Monitoring Program pursuant to Conditions C54 and C56 of Schedule 2 of the consent.

The Department of Planning, Housing and Infrastructure has carefully reviewed the submitted documentation and concludes it adequately addresses the requirements of the relevant conditions of consent. Accordingly, as nominee of the Planning Secretary, I approve the Operational Waste Management Plan, prepared by Jackson Environment and Planning Pty Ltd, dated 12 August 2024, version v4.

The Department notes that the Operational Waste Management Plan includes the Waste Monitoring Program required by Condition C56 of Schedule 2 of the consent.

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Elke Tuckfield on (02) 8275 1641 or via [elke.tuckfield@dphi.nsw.gov.au](mailto:elke.tuckfield@dphi.nsw.gov.au).

Yours sincerely
