Dear Mr MacDonald

**Prospect Warehouse Estate (SSD-10399)
Approval of Acoustic Consultant – Conditions B34 and B36**

I refer to your request (SSD-10399-PA-1) for the Secretary's endorsement of suitably qualified persons to prepare the Noise Validation Report required by conditions B34 and B35 of Schedule 2 of the consent, and the Noise Verification Monitoring Report required by conditions B36 and B37 of Schedule 2 of the development consent for the Prospect Warehouse Estate (SSD-10399).

The Department has reviewed the CV provided with your letter for the consultants at SLR Consulting Australia Pty Ltd and is satisfied they have suitable qualifications and experience to prepare the Noise Validation Report and Noise Verification Monitoring Report in accordance with Conditions B34 and B36. I therefore endorse their engagement by Aliro Management Pty Ltd to prepare the Noise Validation Report and Noise Verification Monitoring Report for the approved development.
