Dear Mr Kennedy

**Powerhouse Parramatta (SSD 10416) - Condition A17
Staging of the Construction of the Development**

I refer to your letter submitted on 16 February 2021 including a request to stage the construction of the development in accordance with Condition A17 of the above development consent.

The Department has carefully reviewed the Staging Certification Matrix submitted with your letter and is satisfied that the staging of the development is appropriate as:

- it would not impact on the purpose, intent or enforceability of the conditions contained within the development consent
- the matrix provided has identified and grouped the conditions into the appropriate construction stage(s).

Accordingly, as the Secretary's nominee, I endorse the staging plan as set out in your letter dated 16 February 2021 in accordance with Condition A17.

If you wish to discuss the matter further, please contact Marcus Jennejohn on 8289 6798.

Yours sincerely
