Civil Installation Certificate, Condition E12**

Dear Mr Rezadoust

I refer to the Civil Installation Certificate submitted to the satisfaction of the Planning Secretary in accordance with Condition E12 of SSD-10424 (as modified).

I note that the certificate:

- was reviewed by the Applicant, and no issues were raised to the Department;
- was prepared by a suitably qualified and experienced person/s; and
- confirms that the driveway and relevant associated areas of the school comply with the development standards prescribed in Condition B4.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the Civil Installation Certificate, dated 02 April 2026, prepared by TTW (NSW) Pty Ltd, is prepared as per Condition E12 of SSD-10424.

You are reminded that if there are any inconsistencies between the submitted documents and the conditions of consent, the conditions will prevail.

Please ensure that the Civil Installation Certificate is placed on the project website for public access at the earliest convenience.

If you have any questions, please contact Hala Fua at hala.fua@planning.nsw.gov.au.

Yours sincerely
