Out-of-hours Work Request, Condition D5(d)**

Dear Mr Abouhamad

I refer to your Out-of-hours work (OOHW) request submitted to the Planning Secretary under condition D5(d) of SSD-10424.

I note the OOHW request proposes to establish a tower crane on the project site on Sunday 24 September 2023 between the hours of 6:00am to 8:00pm.

The Department has reviewed the OOHW request and considers that you have provided suitable justification for the proposed works.

Accordingly, as nominee of the Planning Secretary, I approve the proposed OOHW to establish a tower crane on the site on Sunday 24 September between the hours of 6:00am to 8:00pm under condition D5(d) of SSD-10424.

I remind you to abide by the scope of work provided in the OOHW request to ensure that all trucks will be directed to the Contractor's compound to avoid queuing in the neighbouring streets and the mobile crane will be delivered to the site on Friday 22 September 2023 during normal working hours.

Please ensure that the OOHW will be undertaken under close supervision including effective implementation of any control measures as per the project CEMP, relevant sub-plans particularly noise, community notification and complaints management procedure.

Also, please note that if there are any inconsistencies between the OOWH request and the conditions of consent, the conditions will prevail.

If you have any questions, please contact Alex Richard at alexander.richard@dpie.nsw.gov.au.

Yours sincerely
