Dear Ms Chauhan

Community Communication Strategy**

I refer to the Community Communication Strategy (CCS) submitted to the Department in accordance with Condition C9 of the above development consent.

The Department has carefully reviewed the CCS and is satisfied it would facilitate communication between the Applicant, Council and local community and meets the requirements of Condition C9.

Accordingly, as nominee of the Planning Secretary, I endorse the CCS prepared by Deicorp dated 15 July 2021.

Please note the CCS is required to be placed on the project website, implemented during the design and construction of the development and for a minimum of 12 months following completion of construction.

Should you have any further questions, please contact Paula Bizimis, Senior Planner, Key Sites Assessments, on (02) 9274 6254 or via email at paula.bizimis@planning.nsw.gov.au.

Yours sincerely
